

SUPERINTENDENT OF SCHOOLS

CAVIAT (Coconino Association for Vocations, Industry and Technology)

Joint Technical Education District

www.caviat.org

The Coconino Association for Vocations, Industry and Technology seeks a Superintendent of Schools. The new superintendent must be a dynamic, involved and energetic educational leader with thorough knowledge of current methods and trends in career and technical education (vocational) and dedicated to educational excellence through student achievement. The superintendent must encourage full participation and be comfortable in working directly with the Governing Board, staff, parents, students and community in providing excellence in education. The position requires extensive travel.

The salary of the Superintendent position will be competitive and determined by the Governing Board. Professional preparation and evidence of successful educational administrative experience will be prime considerations. Incremental increases will be based on goal achievement. An attractive fringe benefit package will be available to the chief executive officer. The term of the contract will be mutually determined.

The Board will review applications as received and the position will be considered open until filled; first review January 3, 2014.

Interested candidates may receive an application by submitting request and contact information to christinarussell@cableone.net.

Completed application package must be submitted to:
