Once on the above page there are questions to help you determine whether a \$500 Threshold Exemption Statement or Statement of Organization should be filed. **Typically to run for a non-partisan office one would file the \$500 Threshold Exemption Statement stating not to spend or receive \$500 or more during the campaign.** Notice the 4th bullet point that would be important if you did file a \$500 form and then realized you were over that \$500 limit.

Directly below the above mentioned bullet points are the online, fillable \$500 Threshold and Statement of Organization forms. Once you complete one of the two forms please ***contact Kim Graves*** to drop off or mail it to 2384 N Steve's Blvd, Flagstaff, AZ 86004 to file it. Once received, I will contact you with your serial number and (e)mail your receipt.

***To ensure I am here when you intend to come call 928.679.8070 or email kgraves@coconino.az.gov ***
