## Language Essentials for Teachers of Reading and Spelling

### COURSE DETAILS

LETRS® (Language Essentials for Teachers of Reading and Spelling) is professional development that responds to the need for high-quality literacy educators at all levels. Developed by Louisa C. Moats, Ed.D., LETRS provides the deep foundational knowledge necessary to understand how students learn to read, write, and spell—and why some of them struggle.

LETRS provides educators with a core understanding of language structure and helps them gain in-depth instructional information to complement their teaching practices. LETRS brings deeper knowledge of reading instruction by addressing each component (see units below) as well as the foundational concepts that link them.
